BIN WORK ENTRIES 2026

Bin work is subject to the same sales, registration, and delivery as gallery exhibit entries. There is a $5 entry fee per artist for bin work. Bin work will be accepted on bring-in dates, on a first-come basis and as space allows. All work must fit in a designated bin work display area. 2D work must be enclosed in a protective sleeve. Small pieces in frames or on stretcher bars may be displayed on gallery tables as space allows. Please securely label work with title, medium, price and artist's name and contact information. For bin work priced at **$25.01** and more, PRAA receives 40% of the sales price and the artist receives 60%. On work priced at **$25** and less, the artist receives 100% of sales price.
